Principal's Message

We welcome you to Birney Tech Academy. Our school is located in Pico Rivera, a small community where many teachers and classified staff grew up and/or currently reside. We are committed to high academic standards. Our supportive learning environment allows every student to develop a positive self-concept and passion for lifelong learning. Every member of our learning community contributes to the development of each student. Our goal is to prepare students to succeed in a complex, global society by focusing on communication, technology, cultural diversity, and critical-thinking skills.

We have approximately 480 students this year, 18 teachers, and support staff and parent volunteers that help students achieve academically and socially.

Family partnerships are highly valued. Parents are encouraged to participate in their child's education in a variety of ways. Beside supporting learning at home, parents participate at school as volunteers, decision-makers, and leaders. Our uncompromising vision affirms that in working together, all students at Birney will achieve their highest potential.

School Mission Statement

The mission of Birney Tech Academy is to create a challenging learning environment that promotes excellence, encourages high expectations for success through rigorous curriculum, and promotes a safe, caring and supportive school environment that will prepare students to become lifelong learners to succeed academically, intellectually, socially, emotionally, and culturally through the support of our parents, teachers, and community members.

School Vision Statement

Birney Tech Academy will serve as the foundation for the academic future of our students where we will use our resources, including innovations in technology, to provide the fundamentals of education for a diverse population. We will maintain a safe and disciplined environment for all students so that all students can achieve to their ability.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school at (562) 801-5153 or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

The El Rancho Unified School District follows the State adoption guidelines and adoption cycles for textbooks in reading, math, social studies, science, and English language development (ELD) used in the elementary schools. Recommendation for adoption of textbooks is made through a District committee of teachers, administrators, and parents. Input from all school staff members and parents are vital to making the recommendation. The District Committee discusses the school’s recommendations and votes for a textbook to be adopted. The recommendation is then taken to the school board, who makes the final decision on the adoption of all textbooks.

Textbooks are adopted from the most recent state-approved list and are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education. Every student is assigned one textbook and workbook in the core subjects for use in class and to take home.

School Facility Conditions and Planned Improvements (Most Recent Year)

Our campus was constructed in 1951. It is an attractive site that meets the needs of students and staff. We have a multipurpose room that serves as the cafeteria and auditorium. We have three playground yards: preschool/kindergarten, primary, and upper grades. We also have a very large field area that includes two baseball diamonds and a soccer field. Our library houses more than 4,500 books.

There are computers in classrooms, and all classes have Internet access. We also have two iPad carts, one computer lab, three Chromebook carts, and two Macbook carts that are available for student use. All facilities have handicap access, including the stage in our multipurpose room. In 2003, the community passed a bond measure to provide additional funds for modernization. All classrooms have been upgraded and are air-conditioned. All bathrooms, including staff, are upgraded and meet Americans with Disabilities Act (ADA) code. Our stage had new curtains installed in February of 2008. We have two full-time custodians and a grounds man that attends our school three days a week. Custodial hours are from morning to afternoon and afternoon to late night.

Birney PTO purchased and installed a new playground apparatus for the 2010-11 school year which students have enjoyed playing on during their recesses.

Student safety is one of our top priorities. We have a closed-campus policy and all guests/visitors are required to sign-in and wear a visitor's badge while on campus. All teachers, staff, and personnel have also been trained regarding our school safety plan SOP that, in case of an emergency, can be implemented properly.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Birney is committed to providing students with every opportunity to reach their educational goals. To achieve these goals, it is necessary a strong partnership be established with parents and guardians so they become an integral part of their child’s learning experience.

The following are some of the opportunities for parents to become involved:

- School Site Council (SSC)
- Dads Club
- Parent-Teacher Organization (PTO)
- English Learner Advisory Committee (ELAC)
- Parent Education workshops and informative meetings such as Title I Parent Meeting
- Parent Volunteer Program
- Attendance to Back-to-School night, Parent Conferences, Award Assemblies, Family Nights, and Lunch with Someone Special

For more information on how to become involved at the school, please contact Principal Kendall Goyenaga at (562) 801-5153.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates, pupil expulsion rates; and other local measures on the sense of safety.

School Safety Plan

Our School Safety Plan is reviewed and updated each year. The School Safety Plan was last reviewed and updated in September 2015. The Plan is located in the principal’s office. The plan includes procedures for disaster drills, crime reporting, medication administration, child abuse reporting, schoolwide dress codes, and rules and procedures for school discipline. To ensure safety, our campus is closed. All gates surrounding our campus are closed between the hours of 7:00 a.m. to 2:45 p.m. Visitors are required to sign-in at the office, and to wear a visitors’ badge if they have business at the school. Before school begins, there are teachers on duty and a breakfast supervisor in the cafeteria. During recess, there are also two teachers on yard duty per playground. At lunch and lunch recess, noon aides supervise the cafeteria and playground.

Professional Development provided for Teachers

The El Rancho Unified School District provides professional development programs that provide a wide range of professional growth and support opportunities to serve the needs of teachers/staff at all learning stages:

- Beginning Teachers Support and Assessment (BTSA) program as approved by the State of California which provides experienced mentor support for all new teachers earning their California Clear Credential
- Peer Assistance Review (PAR) program for veteran teachers which provides seminars and individual coaching for teachers refreshing their skills and learning new strategies
- Certificated and Staff Training
- Site Administrator Training
- Buck Institute for Education - Project-Based Learning (PBL)
- Digital Learning Coaches

We dedicate three full days and approximately 18 half days toward professional development at our school sites per year. The topics addressed at our trainings are based on teachers' need assessment surveys, student assessment data analysis, and district and schoolwide action plans. Our intern teachers are supported by university supervisors. Professional development at individual school sites are determined by the instructional focus. English Learner and special population trainings are offered on site as needed. In addition, teachers also attend off-site workshops or conferences.

- Project Lead the Way (PLTW)

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
