

OPEN ENROLLMENT ACT TRANSFERS

The Governing Board desires to offer enrollment options in order to provide children with opportunities for academic achievement and that of their diverse needs. Such options shall also be provided to children who reside within another district's boundaries in accordance with law, Board policy, and administrative regulation.

Whenever a student is attending a district school on the Open Enrollment List as identified by the Superintendent of Public Instruction, he/she may transfer to another school within or outside of the district, as long as the school to which he/she is transferring has a higher Academic Performance Index. (Education Code 48354, 48356)

A parent/guardian whose child is attending a district school on the Open Enrollment List and who wishes to have his/her child attend another school within the district shall apply for enrollment using BP/AR 5116.1 – Intradistrict Open Enrollment.

In order to ensure that priorities for enrollment in district schools are implemented in accordance with law, the Board hereby waives the January 1 deadline in Education Code 48354 for all applications for transfer from nonresident parents/guardians of children attending a school on the Open Enrollment List in another district. Transfer applications shall be submitted during the period of April 18 through June 16 of the preceding school year for which the transfer is requested.

Pursuant to Education Code 48356, the Board has adopted the following standards for acceptance and rejection of transfer applications submitted by a parent/guardian of a student attending a school in another district on the Open Enrollment List. The Superintendent or designee shall apply these standards in accordance with Board policy and administrative regulation and shall ensure that the standards are applied uniformly and consistently.

As applicable, the Superintendent or designee may deny a transfer application under any of the following circumstances:

Standards for Rejection of Transfer Applications

1. Upon a determination that approval of the transfer application would negatively impact the capacity of a program, class, grade level, or school building, including:
 - a. The class or grade level-exceeding district limits pursuant to the state Class Size Reduction Program or the Morgan/Hart Class Size Reduction Program for Grades 9-12 .
 - b. The site, classroom, or program exceeding the maximum student-teacher ratio specified in the district's collective bargaining agreement.
 - c. The site or classroom exceeding the physical capacity of the facility pursuant to the district's facilities master plan or other facility-planning document.

OPEN ENROLLMENT ACT TRANSFERS

- d. The class or grade level exceeding capacity pursuant items #a-#c above in subsequent years as the student advances to other grade levels at the school.

(cf. 6151 - Class Size)

(cf. 7110 - Facilities Master Plan)

2. Upon a determination that approval of the transfer application would have an adverse financial impact on the district, including:
 - a. The hiring of additional certificated or classified staff.
 - b. The operation of additional classrooms or instructional facilities.
 - c. Expenses incurred by the district that would not be covered by the apportionment of funds received from the state resulting in a reduction of the resources available to resident students.

Appeal Process for Denials of Transfer Applications

A parent/guardian may appeal the district's denial of a transfer application to the Administrative Hearing Panel by filing a written request of appeal with the Superintendent's designee within 10 days of the receipt of the written notification of denial. In addition, a parent/guardian who believes he/she has been subject to discrimination may file an appeal using the district's Uniform Complaint Procedures.

(cf. 1312.3 – Uniform Complain Procedures)

An appeal hearing shall be scheduled as soon as practicable with the Administrative Hearing Panel. At the hearing, the parent/guardian shall have the right to present oral or written notification of denial. In addition, a parent/guardian who believes he/she has been subject to discrimination may file an appeal using the district's Uniform complaint Procedures.

The panel shall make its decision by the next regularly scheduled meeting and shall send its decision to all concerned parties. The panel's decision shall be final.

Program Evaluation

The Superintendent or designee shall collect data regarding the number of students who transfer out of the district pursuant to the Open Enrollment Act. He/she shall also collect data regarding the number of students who apply to transfer into the district, the number of requests granted, denied, or withdraw, and the district schools and programs receiving applications.

When the Superintendent or designee anticipates that a particular school will receive a large number of transfer applications, he/she shall study the enrollment pattern at that school in order to anticipate future resident enrollment at the school and at the district schools into which those students would normally matriculate.

OPEN ENROLLMENT ACT TRANSFERS

The Superintendent or designee shall regularly report to the Board regarding the implementation of this program
