Objective Summary

CCSS Anchor Standard #2: Provide an abject summary of the text.

Name: _____ Period: _____

Literature/Article name: _____**Author**: _____
Section (if applicable):_____

An effective summary concisely describes the key points from a text, much like an outline written in sentence form that answers the "who, what, where and when and why" of a written piece. A summary should be about one paragraph in length, free from opinions and written in your own words.
