2011-12 School Accountability Report Card — Published During the 2012-13 School Year

4220 Durfee Avenue Pico Rivera, CA 90660 **Phone:** (562) 801-5070 Fax: (562) 692-8922

GRADES K-5 http://de.erusd.org/

Principal's Message

The purpose of the School Accountability Report Card is to provide students and parents with information about our school's instructional programs, academic achievement, materials and facilities, and staff. Durfee Elementary School continues to have the privilege of serving a community that is very supportive of the school's vision to provide a quality, well-rounded education to every child.

Parents and the community play an important role in our school by volunteering for morning dropoff duty, in the classroom, contributing to fundraisers, and supporting the school's programs. The school staff strives to inform the community about the school's educational program, student achievement, and curriculum development.

Students at Durfee Elementary School are guided by specific rules and classroom expectations that promote the six pillars of Character Counts: Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship. Our goal is not only to encourage student achievement but to also provide students with opportunities to learn self-discipline through a system of consistent rewards and consequences for their behavior. The staff has been trained and holds weekly class discussions regarding the school's/district's bullying policy, how to treat others and above all, that their "Character Counts Everywhere, All the Time!"

We have made a commitment to provide the best educational program possible for all students at Durfee Elementary School. We are a dedicated staff who is highly committed to providing a stimulating environment where students are actively involved in the learning process as well as promoting positive values. Together, through our hard work, our students will be challenged through their potential.

Melissa Garcia, Principal

Parental Involvement

Durfee parents are welcome partners in the education of our students. We invite our parents to actively participate in school events, programs and classrooms. Some of the many ways parents can become involved are through our Parent-Teacher Organization (PTO), the English Learners Advisory Committee (ELAC), School Site Council (SSC), and classroom volunteers/room parents. Parents are informed about the school program through our school website, school flyers, phone broadcast messages, quarterly newsletter, and the Student/Parent Handbook.

For more information on how to become involved at the school, please contact Mona Nunez, PTO President, at (562) 801-5070.

School Mission Statement

Durfee Elementary School serves 466 students in kindergarten through grade five. The mission of Durfee Elementary School is to instill in each child a sense of self-worth, independence, and responsibility which will enable each student to become a life-long learner, a successful citizen, and be able to reach his or her potential. Durfee's teachers are committed to providing all students with a positive learning experience that is developmentally appropriate, promotes safety and responsibility, is supported by all necessary staff, materials and equipment, and welcomes parents as an integral part of the learning process.

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (i.e., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

District Mission Statement

The mission of the El Rancho Unified School District, in partnership with the community, is to provide an innovative and challenging learning environment that promotes excellence. We will prepare students as life-long learners to succeed academically, intellectually, socially, emotionally and culturally.

El Rancho Unified School District

Norbert Genis, Superintendent

9333 Loch Lomond Drive Pico Rivera, CA 90660 **Phone:** (562) 942-1500 **Fax:** (562) 949-2821

School Accountability Report Card

In accordance with State and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

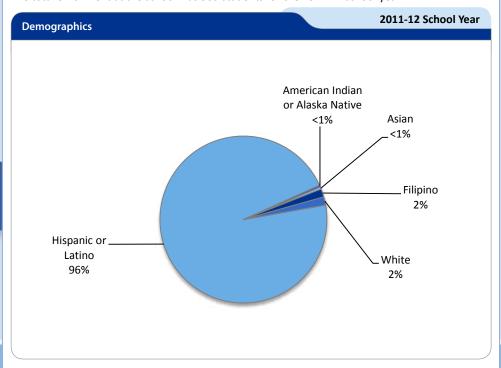

Class Size

Class Size Distribution — Number of Classrooms by Size					Three-	Year Dat	a Compa	arison	
	09-10				10-11		11-12		
Grade	1-20	21-32	33+	1-20	21-32	33+	1-20	21-32	33+

3	3	3		1	2			3	
4		1	2	1	3		1	2	
5			3		3	1		2	1

Enrollment and Demographics

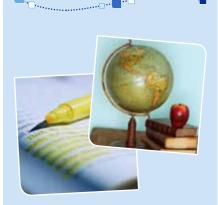

The total enrollment at the school was 505 students for the 2011-12 school year.*

^{*} Enrollment data was gathered from DataQuest and is accurate as of September 2012.

Class Size

The bar graph displays the three-year data for average class size and the table displays the three-year data for the number of classrooms by size.

California Physical Fitness Test

Each spring, all students in grades 5, 7, and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram® is the designated PFT for students in California public schools put forth by the State Board of Education. PFT measures six key fitness

- 1. Aerobic Capacity
- 2. Body Composition
- 3. Flexibility
- 4. Abdominal Strength and Endurance
- 5. Upper Body Strength and Endurance
- 6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram®. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf/.

Percentage of Students Meeting Fitness Standards

2011-12 School Year

Grade 5	
Four of Six Standards	16.20%
Five of Six Standards	19.00%

Six of Six Standards

22.90%

School Facility Items Inspected

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. The following is a list of items inspected.

- Systems: Gas Systems and Pipes, Sewer, Mechanical Systems (heating, ventilation, and air conditioning)
- Interior: Interior Surfaces (floors, ceilings, walls, and window casings)
- Cleanliness: Pest/Vermin Control, Overall Cleanliness (school grounds, buildings, rooms, and common areas)
- **Electrical:** Electrical Systems (interior and exterior)

- Restrooms/Fountains: Restrooms, Sinks/Drinking Fountains (interior and exterior)
- Safety: Fire Safety Equipment, Emergency Systems, Hazardous Materials (interior and exterior)
- Structural: Structural Condition, Roofs
- External: Windows/Doors/Gates/Fences, Playgrounds/School Grounds

School Facility Good Repair Status

This inspection determines the school facility's good repair status using ratings of good condition, fair condition, or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair, or poor condition. At the time of this school facility inspection, no deficiencies were found.

School Facility Good Repair Status						
Items Inspected	Repair Status	Items Inspected	Repair Status			
Systems	Good	Restrooms/Fountains	Good			
Interior	Good	Safety	Good			
Cleanliness	Good	Structural	Good			
Electrical	Good	External	Good

Date of the Most Recent School	09/12/2012					
Date of the Most Recent Compl	etion of the Ins	pection Form	09/24/2012			

School Facilities

Durfee Elementary School first opened its doors in 1951. There are 20 permanent classrooms, a parent room/bungalow, cafeteria, and an administration building.

Durfee currently had a William's Inspection on September 11, 2012, in which we scored an overall rating of 100%.

Through modernization efforts, the school was made accessible to students with disabilities. Many of the classrooms and bathrooms were also upgraded. The asphalt was resurfaced, and marked with new play areas. The placement of new equipment for the large playground area was completed after many years of anticipation.

The library has an abundance of books, and it is also connected to the Internet. This extension of the instructional program provides the Accelerated Reader supplemental literacy program.

All classrooms, offices, restrooms, and lunch areas are cleaned daily. On a weekly basis, the District grounds crew performs special tasks as requested by the school site to upgrade all areas. If more detailed repair is required, it is referred to the District operations department.

The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. For the 2012-13 school year, the District budgeted \$430,800 for the Deferred Maintenance Program. This represents .0106% of the District's general fund budget.

School Safety

Each year, the School Emergency Response Plan is reviewed, updated, and presented to the school faculty in the Fall. It was last reviewed and presented in September 2012. The emergency plan outlines the school's response to disasters such as, earthquake, fire, lockdowns, intruders, bomb threats, and any other emergency situations. In large part, the emergency plan revolves around first responses, evacuation procedures, first aid procedures, and how the staff ensures the safety of all students and staff in any given disaster situation. The application aspect of the plan is then held through monthly practice drills occurring each month for fire, and every other month for disaster and earthquake safety.

The SERT flowchart defines the roles, as well as locations and regulations the staff will follow to ensure the safety of all students, staff and parents at Durfee. These individuals play key roles in how each disaster drill is handled. The plan also includes shut-off locations for gas, electricity, and water. Provided by the district and housed on our campus, a large metal bin houses all emergency supplies. In the end, the plan will provide all the terms and routines with which the staff will efficiently conduct the necessary procedures to be able to safely reunite each student with his/ her parents/guardians. During monthly emergency drills, the staff reviews the entire plan to ensure the system works.

The Durfee campus is closed, and all visitors are required to report to the office before entering any part of the school, including during the afterschool program time.

The El Rancho Unified School District follows the State adoption guidelines and adoption cycles for textbooks in reading, math, social studies, science, and English language development (ELD) used in the elementary schools. Recommendation for adoption of textbooks is made through a District committee of teachers, administrators, and parents. Input from all school staff members and parents are vital to making the recommendation. The District Committee discusses the school's recommendations and votes for a textbook to be adopted. The recommendation is then taken to the school board, who makes the final decision on the adoption of all textbooks.

Textbooks are adopted from the most recent state-approved list and are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education. Every student is assigned one textbook and workbook in the core subjects for use in class and to take home.

Textbooks and Instructional Materials List							
Subject	bject Textbook						
English-Language Arts	Reading, Houghton Mifflin (K-6)	2009					
Mathematics	California Mathematics, MacMillan/McGraw-Hill	2010					
Science	California Science, MacMillan/McGraw-Hill (K-5)	2009					
History-Social Science	History-Social Science for California, Scott Foresman (K-5)	2009					
ELD	Avenues, Hampton-Brown (K-5)	2009					

Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials.

Percentage of Students Lacking Materials by Subject	012-13 School Year
	Durfee ES
Subject	Percent Lacking
Reading/Language Arts	0%
Mathematics	0%
Science	0%
History-Social Science	0%
Visual and Performing Arts	
Foreign Language	
Health	0%

Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks	012-13 School Year
Criteria	Yes/No
Are the textbooks adopted from the most recent state-approved or local governing board approved list?	Yes
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?	Yes
Does every student, including English Learners, have access to their own textbooks and instructional materials to use in class and to take home?	Yes

♦ Not applicable.

Suspensions and Expulsions

This table shows the rate of suspensions and expulsions (the total number of incidents divided by the school's total enrollment) for the most recent three-year period.

STAR Results for All Students

The Standardized Testing and Reporting (STAR) results are evaluated and compared to state standards using the following five performance levels: **Advanced** (*exceeds state standards*); **Proficient** (*meets state standards*); **Basic**; **Below Basic**; and **Far Below Basic**. Students scoring at the Proficient or Advanced level meet state standards in that content area. The tables show the percentage of students that scored at Proficient or Advanced levels in English-language arts, mathematics, and science.

Students Scoring at Proficient or Advanced Levels						Three-Y	ear Data	Compa	rison
		Durfee ES I				JSD	California		
Subject	09-10	10-11	11-12	09-10	10-11	11-12	09-10	10-11	11-12

Students with Disabilities	25%	27%	*
Students Receiving Migrant Education Services	*	*	*

Scores are not shown when the number of students tested is 10 or less, either because the number of students tested in this category is too small for statistical accuracy or to protect student privacy.

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program aims to identify strengths and weaknesses to improve student learning. STAR consists of several key tests that are designed for the student's age and individual needs. These tests include: the California Standards Test (CST), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA).

The CSTs are multiple choice tests in English-language arts, mathematics, science, and history-social science for varying grade levels. Some grade levels also participate in an essay writing test. The CSTs are used to determine students' achievement of the California Academic Content Standards. These standards describe the knowledge and skills that students are expected to learn at each grade level and subject.

The CMA is a modified assessment for students with disabilities who have an individualized education program (IEP). It is designed to assess those students whose disabilities prevent them from achieving grade-level proficiency on an assessment of the content standards with or without accommodations.

The CAPA is an alternate assessment for students with significant cognitive disabilities who are unable to take the CST with accommodations or modifications or the CMA with accommodations.

For more information on the STAR program including tests, participation, groups, and scores by grade level, please visit http://star.cde.ca.gov/.

and the same of th

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of the schools within California. API is measured on a scale from 200 to 1,000. This score reflects the school, district or a student group's performance level, based on the results of statewide testing. The state has set an API score of 800 as the statewide target.

The annual API reporting cycle consists of the Base and Growth API. The Base API begins the reporting cycle and the results are released approximately a year after testing occurs (e.g. The 2011 Base API is calculated from results of statewide testing in spring 2011, but the results are not released until May 2012). Growth API, calculates test results in the same fashion and with the same indicators as the Base API but from test results of the following year (e.g. The 2012 Growth API is calculated from results of statewide testing in spring 2012 and released in September 2012). The year of the API corresponds to the year of testing. Therefore, for the 2011-12 API reporting cycle, the 2011 Base indicator and 2012 Growth indicator are used. To represent how much a school's API changed from 2011-12 (known as the 2011-12 API Growth), the 2011 Base API is subtracted from the 2012 Growth API. The Base API Report includes the Base API, targets, and ranks. The Growth API Report includes Growth API, growth achieved, and whether or not targets were met.

To learn more about API, visit the API information guide at www.cde.ca.gov/ta/ac/ap/documents/infoguide12.pdf and the API overview guide at www.cde.ca.gov/ta/ac/ap/documents/overview12.pdf.

API Ranks

API Ranks		Three-Year Data Comparison			
	2009	2010	2011		
Statewide API Rank	1	2	1		
Similar Schools API Rank	1	1	1		

API Testing

Assessment data is reported only for numerically significant groups. To be considered numerically significant for the API, the group must have either: (1) at least 50 students with valid STAR Program scores who make up at least 15% of the total valid STAR Program scores, or (2) at least 100 students with valid STAR Program scores.

API Ranks

Schools are ranked in ten categories of equal size, called deciles, from 1 (lowest) to 10 (highest) based on their API Base reports. A school's "statewide API rank" compares its API to the APIs of all other schools statewide of the same type (elementary, middle, or high school). A "similar schools API rank" reflects how a school compares to 100 statistically matched similar schools. This table shows the school's three-year data for statewide API rank and similar schools API rank, for which information is available.

API Growth by Student Group

This table displays, by student group, first, the 2012 Growth API at the school, district, and state level followed by the actual API change in points added or lost for the past three years at the school.

API Growth by Student Group 2012 Growth API and Three-Year Data Comparison

Data are reported only for numerically significant groups.

"We have made a commitment to provide the best educational program possible for all students at Durfee Elementary School."

Adequate Yearly Progress

The No Child Left Behind (NCLB) Act requires that all schools and districts meet Adequate Yearly Progress (AYP) requirements. California public schools and districts are required to meet or exceed criteria in these four target areas:

- 1. Participation rate on statewide assessments in English-language arts and mathematics
- 2. Percentage of students scoring proficient on statewide assessments in English-language arts and mathematics
- 3. API scores
- 4. Graduation rate for high schools

The table displays whether or not the school and district met each of the AYP criteria and made overall AYP for 2011-12. For more information, visit www.cde.ca.gov/ta/ac/ay/.

Adequate Yearly Progress Criteria		2011-12 School Year		
	Durfee ES		El Rancho USD	
Met Overall AYP	No		N	0
AYP Criteria	English- Language Arts Mathematics English- Language Arts		Mathematics	
Participation Rate	Yes	Yes	Yes	Yes
Percent Proficient	No	Yes	No	No
API	Yes		Ye	es
Graduation Rate	×		N	0

Federal Intervention Program

Districts and schools receiving Title I funding that fail to meet AYP over two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate) can enter into Program Improvement (PI). Each additional year that the district or schools do not meet AYP results in advancement to the next level of intervention. This table displays the 2012-13 Program Improvement status for the school and district. For more information, please visit www.cde.ca.gov/ta/ac/ay/.

Federal Intervention Program		2012-13 School Year	
	Durfee ES	El Rancho USD	
Program Improvement Status	In PI	In PI	
First Year of Program Improvement	2009-2010	2008-2009	
Year in Program Improvement	Year 4	Year 3	
Number of Schools Identified for Program	7		
Percent of Schools Identified for Program Improvement		50.00%	

■ Not applicable. The graduation rate for AYP criteria applies to high schools.

Professional Development

The El Rancho Unified School District provides professional development programs that provide a wide range of professional growth and support opportunities to serve the needs of teachers/staff at all learning stages. These programs include:

- Beginning Teachers Support and Assessment (BTSA) program as approved by the State of California which provides experienced mentor support for all new teachers earning their California Clear Credential.
- Peer Assistance Review (PAR) program for veteran teachers which provides seminars and individual coaching for teachers refreshing their skills and learning new strategies.
- · Certificated and Staff Training.
- · Site Administrator Training.

We dedicate three full days and approximately 18 half days towards professional development at our school sites per year. The topics addressed at our trainings are based on teachers' need assessment surveys, student assessment data analysis, district and schoolwide action plans. Our intern teachers are supported by University Supervisors. Professional development at individual school sites are determined by the instructional focus. English Learner and Special Population trainings are offered on site as needed. In addition, teachers also attend off-site workshops or conferences.

Teacher Credential Information Th		ree-Year D	Data Comp	parison

Teacher Misassignments of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

No Child Left Behind Compliant Teachers

NCLB requires that all teachers of core academic subject areas be "highly qualified." In general, for a teacher to be considered highly qualified, they must have a bachelor's degree, an appropriate California teaching credential, and have demonstrated competence for each core subject he or she teaches. The table displays data regarding NCLB compliant teachers from the 2011-12 school year. For more information on teacher qualifications related to NCLB, visit www.cde.ca.gov/nclb/sr/tq.

No Child Left Behind Compliant Teachers		2011-12 School Year	
	Percent of Classes in Core Academic Subjects		
	Taught by NCLB Compliant Teachers	Taught by Non-NCLB Compliant Teachers	
Durfee ES	96.27%	3.73%	
All Schools in District	95.06%	4.94%	
High-Poverty Schools in District	95.06%	4.94%	
Low-Poverty Schools in District	*	*	

NCLB Note

High-poverty schools are defined as those schools with student participation of approximately 40% or more in the free and reduced priced meals program. Low-poverty schools are those with student participation of approximately 25% or less in the free and reduced priced meals program.

Financial Data

The financial data displayed in the SARC is from the 2010-11 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year, and one year behind most other data included in this report. For more detailed financial information, please visit <u>www.cde.ca.gov/ds/fd/cs</u> and <u>www.cde.ca.gov/ds/fd/ec</u>.

District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note the district salary data does not include benefits.

District Salary Data		2010-11 Fiscal Year	
	El Rancho USD	Similar Sized District	
Beginning Teacher Salary	\$41,656	\$40,656	
Mid-Range Teacher Salary	\$63,140	\$64,181	
Highest Teacher Salary	\$80,315	\$82,486	
Average Principal Salary (Elementary School)	\$104,051	\$102,165	
Average Principal Salary (Middle School)	\$104,387	\$108,480	
Average Principal Salary (High School)	\$125,424	\$117,845	
Superintendent Salary	\$200,241	\$181,081	
Teacher Salaries — Percent of Budget	39%	40%	
Administrative Salaries — Percent of Budget	5%	6%	

Financial Data Comparison

The following table displays the school's per pupil expenditures from unrestricted sources and the school's average teacher salary and compares it to the district and state data.

Financial Data Comparison		2010-11 Fiscal Year
	Expenditures Per Pupil From Unrestricted Sources	Annual Average Teacher Salary
Durfee ES	\$3,871	\$62,822
El Rancho USD	\$4,177	\$65,540
California	\$5,455	\$66,336
School and District — Percent Difference	-7.9%	-4.3%
School and California — Percent Difference	-40.9%	-5.6%

Data for this year's SARC was provided by the California Department of Education (CDE), school and district offices. For additional information on California schools and districts, please visit DataQuest at http://data1.cde.ca.gov/dataquest. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English Learners. Additionally, Ed-Data in partnership with the CDE, provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools. More information can be found at www.ed-data.k12.ca.us/Pages/Home.aspx. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1 of each year. All data accurate as of November 29, 2012.

School Financial Data

The following table displays the school's average teacher salary and a breakdown of the school's expenditures per pupil from unrestricted and restricted sources.

School Financial Data

2010-11 Fiscal Year		
Total Expenditures Per Pupil	\$4,781	
Expenditures Per Pupil From Restricted Sources	\$910	
Expenditures Per Pupil From Unrestricted Sources	\$3,871	
Annual Average Teacher Salary	\$62,822
