2011-12 School Accountability Report Card — Published During the 2012-13 School Year

9241 E. Cosgrove Street Pico Rivera, CA 90660 Phone: (562) 801-5079 Fax: (562) 801-0146 GRADES K-5 http://ve.erusd.org

Principal's Message

At Valencia Elementary School, raising student achievement is our focus. Staff and parents work together to educate children. We work to foster independence in our students in order for them to become successful citizens. We offer a high-quality academic program that challenges our students. We integrate technology into many aspects of learning. We have a common belief that all students can learn and achieve, and achieve at high levels. The entire staff is committed to continuous improvement of our educational program.

While we focus on academics, we also offer social activities that motivate students and allow them to grow socially. We have implemented the Character Counts! program framework throughout our school to assist in developing respectful and responsible students. Students have opportunities to perform throughout the course of the year. There are extensive lunchtime sports teams that allow the students to compete and interact with others. In addition, we have several family-oriented events throughout the year to celebrate and emphasize our home-school partnership.

Valencia Elementary continues to set attainable goals and works vigorously to achieve them. We are a team of teachers, parents, and administrators who operate to create a harmonious environment that gives students the best opportunity to learn and succeed.

Parental Involvement

Valencia Elementary School receives exemplary support from parents in many ways. Parents and community members can volunteer hours in classrooms, accompany students on field trips, and volunteer to assist with student activities. Valencia is fortunate to have an active Parent-Teacher Association (PTA), School Site Council (SSC), and English Language Advisory Council (ELAC). The PTA actively supports student learning through their fundraising activities. PTA funds help provide field trips for classrooms, technology support, student assemblies, and classroom incentives. SSC and ELAC give parents opportunities to help establish the school plan focus and budget priorities. The groups hold meetings once per month, and all are welcome to attend. Opportunities are also available for parents to attend Student Study Team, Educational Family Nights, Read Across America, and Spring Carnival activities.

Valencia is also privileged to have many community partnerships. REACH, an after-school program, is available on our school campus every day after school. Our fifth grade students participate in the STAR program through the Pico Rivera Sheriff's Department. We are also fortunate to have a partnership with California State University, Long Beach, which provides college volunteers for several of the classes. For more information on how to become involved, please contact Ruth Baskett, Principal, at (562) 801-5079

School Mission Statement

What we do...Valencia Elementary provides a rigorous learning environment for a diverse student population. Our educational program focuses on academic excellence, enabling students to aim high while developing in them a strong moral character for life-long learning and success.

What we believe in...

- All Children Can Learn
- High Expectations
- Strength in Character
- Structure & Consistency

District Mission Statement

The mission of the El Rancho Unified School District, in partnership with the community, is to provide an innovative and challenging learning environment that promotes excellence. We will prepare students as life-long learners to succeed academically, intellectually, socially, emotionally and culturally.

.....

El Rancho Unified School District

Norbert Genis, Superintendent

9333 Loch Lomond Drive Pico Rivera, CA 90660 Phone: (562) 942-1500 Fax: (562) 949-2821

School Accountability Report Card

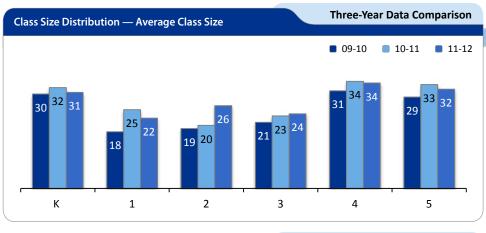

In accordance with State and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

Valencia Elementary School • 2011-12 SARC

Class Size

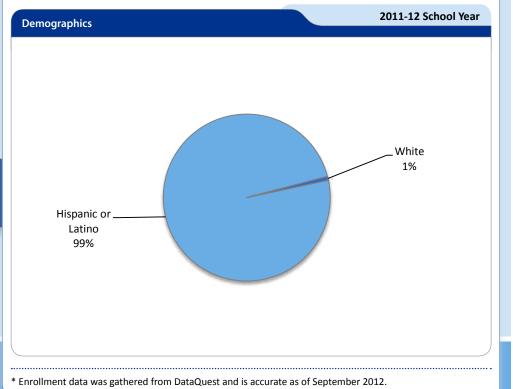

Class Size Distribution — Number of Classrooms by Size					Three-	Year Dat	a Compa	arison	
		09-10		10-11			11-12

5		2			1	1		1	1

Enrollment and Demographics

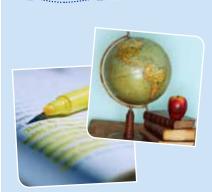

2011-12 SARC

The total enrollment at the school was 408 students for the 2011-12 school year.*

Class Size

The bar graph displays the three-year data for average class size and the table displays the three-year data for the number of classrooms by size.

California Physical Fitness Test

Each spring, all students in grades 5, 7, and 9 are required to participate in the California Physical Fitness Test (PFT). The *Fitnessgram®* is the designated PFT for students in California public schools put forth by the State Board of Education. PFT measures six key fitness areas:

- 1. Aerobic Capacity
- 2. Body Composition
- 3. Flexibility
- 4. Abdominal Strength and Endurance
- 5. Upper Body Strength and Endurance
- 6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the *Fitnessgram*®. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit <u>www.cde.ca.gov/ta/tg/pf/</u>.

Percentage of Students Meeting Fitness Standards						
2011-12 School Year						
Grade 5						
Four of Six Standards	24.20%					
Five of Six Standards	17.70%					
Six of Six Standards	3.20%					

School Facility Items Inspected

The tables show the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. The following is a list of items inspected.

- Systems: Gas Systems and Pipes, Sewer, Mechanical Systems (heating, ventilation, and air conditioning)
- Interior: Interior Surfaces (floors, ceilings, walls, and window casings)
- Cleanliness: Pest/Vermin Control, Overall Cleanliness (school grounds, buildings, rooms, and common areas)
- Electrical: Electrical Systems (interior and exterior)

Restrooms/Fountains: Restrooms, Sinks/Drinking Fountains (interior and exterior)

- Safety: Fire Safety Equipment, Emergency Systems, Hazardous Materials (interior and exterior)
- Structural: Structural Condition, Roofs
- External: Windows/Doors/Gates/Fences, Playgrounds/School Grounds

School Facility Good Repair Status

This inspection determines the school facility's good repair status using ratings of good condition, fair condition, or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair, or poor condition.

School Facility Good Repair Stat	012-13 School Year				
Items Inspected	Repair Status	Items Inspected	Repair Status		
Systems	Good	Restrooms/Fountains	Good		
Interior	Poor	Safety	Fair		
Cleanliness	Good	Structural	Good		
Electrical	Poor	External	Good		
Overall Summary of Facility Con	ditions		Fair		
Date of the Most Recent School	10/25/2012				
Date of the Most Recent Comple	Date of the Most Recent Completion of the Inspection Form				

Deficiencies and Repairs

The table lists the repairs required for all deficiencies found during the school site inspection. Regardless of each item's repair status, all deficiencies are listed.

Deficiencies and Repairs	2012-13 School Year
Items Inspected	Deficiencies, Action Taken or Planned, and Date of Action
Interior	Replace stained or missing ceiling tiles as needed. (Completed in 12/12)
Electrical	Repair or replace lights as needed. (Completed in 12/12)
Restrooms/Fountains	Remove storage under sinks. (Immediately Fixed)
Safety	Keep fire alarm pull stations clear and secure solvents and aerosols. (Immediately Fixed)

School Facilities

Valencia School opened in 1951. There are 20 classrooms on the campus. The school also has a teacher workroom, a library, a computer lab, one office building, and a cafeteria.

The school has six restrooms accessible to all students. The District maintenance department has adopted cleaning standards and procedures for all El Rancho USD schools.

Continued on sidebar

School Facilities

Continued from left

Valencia's custodial staff adheres to these standards. Valencia has one head custodian in the day and one evening custodian. All classrooms, offices, restrooms, and lunch areas are thoroughly cleaned daily. On a daily basis, the head custodian cleans the school grounds. On a weekly basis, the District grounds crew mows lawns and performs any special tasks as requested by the school site. When necessary, the head custodian performs light maintenance duties. If more detailed repair is required, the custodial staff submits work orders to the District operations department. The operations department then notifies the appropriate District department to ensure repairs are completed. Restroom, playground, and school library areas were modernized last school year. Currently, new fencing, school gates, and heating system in the cafeteria have been updated. The administrative building is also being renovated.

In 2008-09, the kinder playground received new asphalt coating and landscaping. In the summer of 2008, exterior painting was completed on all campus buildings. In the summer of 2010, Valencia's cafeteria went under renovation. A new floor was installed, and the interior completely painted. in 2011, the school had Wi-Fi capability installed throughout the campus.

Technological tools for instructional purposes including document readers, LCD projectors, new Macs and iPads were placed in each classroom.

The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. For the 2012-13 school year, the District budgeted \$430,800 for the Deferred Maintenance Program. This represents .0106% of the District's general fund budget.

Textbooks and Instructional Materials

The El Rancho Unified School District follows the State adoption guidelines and adoption cycles for textbooks in reading, math, social studies, science, and English language development (ELD) used in the elementary schools. Recommendation for adoption of textbooks is made through a District committee of teachers, administrators, and parents. Input from all school staff members and parents are vital to making the recommendation. The District Committee discusses the school's recommendations and votes for a textbook to be adopted. The recommendation is then taken to the school board, who makes the final decision on the adoption of all textbooks.

Textbooks are adopted from the most recent state-approved list and are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education. Every student is assigned one textbook and workbook in the core subjects for use in class and to take home.

Textbooks and Instructi	12-13 School Year					
Subject	Textbook Adopted					
English-Language Arts	Reading, Houghton Mifflin (K-6)	2009				
Mathematics	California Mathematics, MacMillan/McGraw-Hill	2010				
Science	California Science, MacMillan/McGraw-Hill (K-5)	2009				
History-Social Science	History-Social Science for California, Scott Foresman (K-5)	2009				
ELD	Avenues, Hampton-Brown (K-5)	2009				

Availability of Textbooks and Instructional Materials

The following lists the percentage of pupils who lack their own assigned textbooks and instructional materials.

Percentage of Students Lacking Materials by Subject 20	12-13 School Year
	Valencia ES
Subject	Percent Lacking
Reading/Language Arts	0%
Mathematics	0%
Science	0%
History-Social Science	0%
Visual and Performing Arts	0%
Foreign Language	0%
Health	0%

Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbooks 20	12-13 School Year
Criteria	Yes/No
Are the textbooks adopted from the most recent state-approved or local governing board approved list?	Yes
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?	Yes
Does every student, including English Learners, have access to their own textbooks and instructional materials to use in class and to take home?	Yes

Currency of Textbook Data

This table displays the date when the textbook and instructional materials information was collected and verified.

Currency of Textbook							
2012-13 School Y	ear						
Data Collection Date	10/2012						

School Safety

The school's Standard Emergency Management System (SEMS) reflects the need for a greater awareness of safety and security. It is reviewed and updated annually by the District, school safety committees, and staff. The Plan addresses fire, earthquake, and lockdown procedures. Emergency fire and earthquake drills are practiced on a regular basis and required logs are kept. Equipment and supplies are checked periodically. The School Safety Plan is shared at SSC. The School Safety Plan was last reviewed, updated, and discussed with the school faculty in October 2012.

Staff at Valencia is committed to providing all students a safe, disciplined, and drug-free environment. Valencia School is a secured campus. All visitors must enter and exit via the front school office. Throughout the day, Valencia staff supervises the playgrounds and cafeteria. All classrooms have access to outside phone lines, and the entire school campus is fenced. After school, all teachers have duty to ensure a safe dismissal. In addition, District police units are available to further assure the safety of children before, during, and after school. The facilities are well maintained by the custodial staff. They create a safe and clean environment for staff and students. It is our goal to ensure that Valencia School is a safe and conducive environment for learning.

STAR Results for All Students

The Standardized Testing and Reporting (STAR) results are evaluated and compared to state standards using the following five performance levels: **Advanced** (*exceeds state standards*); **Proficient** (*meets state standards*); **Basic**; **Below Basic**; and **Far Below Basic**. Students scoring at the Proficient or Advanced level meet state standards in that content area. The tables show the percentage of students that scored at Proficient or Advanced levels in English-language arts, mathematics, and science.

Students Scoring at Profici	ient or A	dvanced	d Levels			Three-Y	ear Data	a Compa	irison

Students with Disabilities	25%	52%	*
Students Receiving Migrant Education Services	*	*	*

Scores are not shown when the number of students tested is 10 or less, either because the number of students tested in this category is too small for statistical accuracy or to protect student privacy.

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program aims to identify strengths and weaknesses to improve student learning. STAR consists of several key tests that are designed for the student's age and individual needs. These tests include: the California Standards Test (CST), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA).

The CSTs are multiple choice tests in English-language arts, mathematics, science, and history-social science for varying grade levels. Some grade levels also participate in an essay writing test. The CSTs are used to determine students' achievement of the California Academic Content Standards. These standards describe the knowledge and skills that students are expected to learn at each grade level and subject.

The CMA is a modified assessment for students with disabilities who have an individualized education program (IEP). It is designed to assess those students whose disabilities prevent them from achieving grade-level proficiency on an assessment of the content standards with or without accommodations.

The CAPA is an alternate assessment for students with significant cognitive disabilities who are unable to take the CST with accommodations or modifications or the CMA with accommodations.

For more information on the STAR program including tests, participation, groups, and scores by grade level, please visit <u>http://star.cde.ca.gov/</u>.

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of the schools within California. API is measured on a scale from 200 to 1,000. This score reflects the school, district or a student group's performance level, based on the results of statewide testing. The state has set an API score of 800 as the statewide target.

The annual API reporting cycle consists of the Base and Growth API. The Base API begins the reporting cycle and the results are released approximately a year after testing occurs (e.g. The 2011 Base API is calculated from results of statewide testing in spring 2011, but the results are not released until May 2012). Growth API, calculates test results in the same fashion and with the same indicators as the Base API but from test results of the following year (e.g. The 2012 Growth API is calculated from results of statewide testing in spring 2012 and released in September 2012). The year of the API corresponds to the year of testing. Therefore, for the 2011-12 API reporting cycle, the 2011 Base indicator and 2012 Growth indicator are used. To represent how much a school's API changed from 2011-12 (known as the 2011-12 API Growth), the 2011 Base API is subtracted from the 2012 Growth API. The Base API Report includes the Base API, targets, and ranks. The Growth API Report includes Growth API, growth achieved, and whether or not targets were met.

To learn more about API, visit the API information guide at www.cde.ca.gov/ta/ac/ap/documents/in-foguide12.pdf and the API overview guide at www.cde.ca.gov/ta/ac/ap/documents/in-foguide12.pdf and the API overview guide at www.cde.ca.gov/ta/ac/ap/documents/in-foguide12.pdf and the API overview guide at www.cde.ca.gov/ta/ac/ay/documents/overview12.pdf.

API Ranks

API Ranks		Three-Year Data Comparison				
	2009	2010 2011				
Statewide API Rank	4	4	3			
Similar Schools API Rank	2	5 1				

API Testing

Assessment data is reported only for numerically significant groups. To be considered numerically significant for the API, the group must have either: (1) at least 50 students with valid STAR Program scores who make up at least 15% of the total valid STAR Program scores, or (2) at least 100 students with valid STAR Program scores.

API Ranks

Schools are ranked in ten categories of equal size, called deciles, from 1 (lowest) to 10 (highest) based on their API Base reports. A school's "statewide API rank" compares its API to the APIs of all other schools statewide of the same type (elementary, middle, or high school). A "similar schools API rank" reflects how a school compares to 100 statistically matched similar schools. This table shows the school's three-year data for statewide API rank and similar schools API rank, for which information is available.

API Growth by Student Group

This table displays, by student group, first, the 2012 Growth API at the school, district, and state level followed by the actual API change in points added or lost for the past three years at the school.

API Growth by Student Group 2012 Growth API and Three-Year Data Comparison

2011-12 SAR

Data are reported only for numerically significant groups.

Adequate Yearly Progress

The No Child Left Behind (NCLB) Act requires that all schools and districts meet Adequate Yearly Progress (AYP) requirements. California public schools and districts are required to meet or exceed criteria in these four target areas:

- 1. Participation rate on statewide assessments in English-language arts and mathematics
- 2. Percentage of students scoring proficient on statewide assessments in English-language arts and mathematics
- 3. API scores
- 4. Graduation rate for high schools

The table displays whether or not the school and district met each of the AYP criteria and made overall AYP for 2011-12. For more information, visit <u>www.cde.ca.gov/ta/ac/ay/</u>.

Adequate Yearly Progress Criteria		2011-12 School Year		
	Valencia ES		El Rancho USD	
Met Overall AYP	Yes		N	0
AYP Criteria	English- Language Arts	Mathematics	English- Language Arts	Mathematics
Participation Rate	Yes	Yes	Yes	Yes
Percent Proficient	Yes	Yes	No	No
АРІ	Yes		Ye	25
Graduation Rate	X		N	0

Federal Intervention Program

Districts and schools receiving Title I funding that fail to meet AYP over two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate) can enter into Program Improvement (PI). Each additional year that the district or schools do not meet AYP results in advancement to the next level of intervention. This table displays the 2012-13 Program Improvement status for the school and district. For more information, please visit www.cde.ca.gov/ta/ac/ay/.

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (i.e., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

Not applicable. The graduation rate for AYP criteria applies to high schools.

Professional Development

The El Rancho Unified School District provides professional development programs that provide a wide range of professional growth and support opportunities to serve the needs of teachers/staff at all learning stages. These programs include:

- Beginning Teachers Support and Assessment (BTSA) program as approved by the State of California which provides experienced mentor support for all new teachers earning their California Clear Credential.
- Peer Assistance Review (PAR) program for veteran teachers which provides seminars and individual coaching for teachers refreshing their skills and learning new strategies.
- Certificated and Staff Training.
- Site Administrator Training.

We dedicate three full days and approximately 18 half days towards professional development at our school sites per year. The topics addressed at our trainings are based on teachers' need assessment surveys, student assessment data analysis, district and schoolwide action plans. Our intern teachers are supported by University Supervisors, Professional development at individual school sites are determined by the instructional focus. English Learner and Special Population trainings are offered on site as needed. In addition, teachers also attend off-site workshops or conferences.

Suspensions and Expulsions

This table shows the rate of suspensions and expulsions (the total number of incidents divided by the school's total enrollment) for the most recent three-year period.

Vacant Teacher Positions	0	0	0

No Child Left Behind Compliant Teachers

NCLB requires that all teachers of core academic subject areas be "highly qualified." In general, for a teacher to be considered highly qualified, they must have a bachelor's degree, an appropriate California teaching credential, and have demonstrated competence for each core subject he or she teaches. The table displays data regarding NCLB compliant teachers from the 2011-12 school year. For more information on teacher qualifications related to NCLB, visit <u>www.cde.ca.gov/nclb/sr/tq</u>.

2011 12 Cabaal Vaar

No Child Left Behind Compliant Teachers		2011-12 School Year	
	Percent of Classes in Core Academic Subjects		
	Taught by NCLB Compliant Teachers	Taught by Non-NCLB Compliant Teachers

California	\$5,455	\$66,336
School and District — Percent Difference	-3.7%	-0.8%
School and California — Percent Difference	-35.5%	-2.0%

Data for this year's SARC was provided by the California Department of Education (CDE), school and district offices. For additional information on California schools and districts, please visit DataQuest at http://data.cde.ca.gov/dataquest. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English Learners. Additionally, Ed-Data in partnership with the CDE, provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools. More information can be found at www.ed-data.kl2.ca.us/Pages/Home.aspx. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1 of each year. All data accurate as of November 29, 2012.
