School Description

Our mission at Valencia is to provide a challenging learning environment for diverse learners while developing upstanding character. Our educational program focuses on 21st century learning skills by integrating music, art, and technology. We believe in fostering communication, collaboration, creativity, and critical thinking.

Valencia Elementary School officially changed its name to Valencia Academy of the Arts in the summer of 2015. During the transition, stakeholders, parents, students, staff, and community provided input in establishing the direction of the school. At Valencia, we have three major outcomes:

- Equitable Access to the Arts
- Development of Creative and Cognitive Skills through the Arts
- Become Conscientious Global Scholars with a Foundation in the Arts

Valencia will provide a rigorous instructional program for approximately 450 students from transitional kindergarten through grade five. The educational program focus reflects the school's vision and mission; academic excellence, high expectations, and character development for lifelong learning and success. During the 2014-2015 school year, Valencia Academy of the Arts incorporated a Visual Arts and Performing Arts curriculum by providing instrumental music, choral music, and visual arts. Valencia is mindful of the proud tradition of strong academic programs, instructional excellence, and community involvement, which the school has maintained since 1951. Over the years, the Valencia staff and community have been continually dedicated to providing the best educational opportunities for every child, maintaining the rigors of Common Core, while providing a foundation in the arts.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school at (562) 801-5079 or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

The El Rancho Unified School District follows the State adoption guidelines and adoption cycles for textbooks in reading, math, social studies, science, and English language development (ELD) used in the elementary schools. Recommendation for adoption of textbooks is made through a District committee of teachers, administrators, and parents. Input from all school staff members and parents are vital to making the recommendation. The District Committee discusses the school's recommendations and votes for a textbook to be adopted. The recommendation is then taken to the school board, who makes the final decision on the adoption of all textbooks.

Textbooks are adopted from the most recent state-approved list and are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education. Every student is assigned one textbook and workbook in the core subjects for use in class and to take home.

School Facility Conditions and Planned Improvements (Most Recent Year)

Valencia opened in 1951. There are 20 classrooms on the campus. The school also has a teacher workroom, a library/computer lab, one office building, and a cafeteria.

The school has six restrooms accessible to all students. The District maintenance department has adopted cleaning standards and procedures for all schools in the El Rancho Unified School District.

Valencia's custodial staff adheres to these standards. Valencia has one head custodian in the day and one evening custodian. All classrooms, offices, restrooms, and lunch areas are thoroughly cleaned daily. On a daily basis, the head custodian cleans the school grounds. On a weekly basis, the District grounds crew mows lawns and performs any special tasks as requested by the school site. When necessary, the head custodian performs light maintenance duties. If more detailed repair is required, the custodial staff submits work orders to the District operations department.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Valencia Academy of the Arts receives exemplary support from parents in many ways. Parents and community members can volunteer hours in classrooms, accompany students on field trips, and volunteer to assist with student activities. Valencia is fortunate to have an active Parent-Teacher Association (PTA), School Site Council (SSC), and English Learner Advisory Committee (ELAC). The PTA actively supports student learning through their fundraising activities. PTA funds help provide field trips for classrooms, technology support, student assemblies, and classroom incentives. SSC and ELAC give parents opportunities to help establish the school plan focus and budget priorities. The groups hold meetings once per month, and all are welcome to attend. Opportunities are also available for parents to attend Student Study Teams, Educational Family Nights, Read Across America, and Spring Carnival activities.

During the spring it is planned to have evening parent workshops on various topics such as: How parents can assist with homework, Accelerated Reader, Reading Fluency, Math Problem Solving Skills, Sound Spelling Cards and Educational Activities for the summer.

Valencia is also privileged to have many community partnerships. REACH, an afterschool program, is available on our school campus every day after school. Our fifth-grade students participate in the STAR program through the Pico Rivera Sheriff's Department. For more information on how to become involved, please contact the Principal at (562) 801-5079.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

· Pupil suspension rates, pupil expulsion rates; and other local measures on the sense of safety.

School Safety Plan

The school's Standard Emergency Management System (SEMS) reflects the need for a greater awareness of safety and security. It is reviewed and updated annually by the District, school safety committees, and staff. The Plan addresses fire, earthquake, and lockdown procedures. Emergency fire and earthquake drills are practiced on a regular basis and required logs are kept. Equipment and supplies are checked periodically. The School Safety Plan is shared at School Site Council meetings. The School Safety Plan was last reviewed, updated, and discussed with the school faculty September 2015.

Staff at Valencia is committed to providing all students a safe, disciplined, and drug-free environment. Valencia School is a secured campus. All visitors must enter and exit via the front school office. In the morning, we have three supervisors, Principal, and other staff that monitor the cafeteria, gates, and quad area prior to the start of school. Throughout the day, Valencia staff supervises the playgrounds and cafeteria. All classrooms have access to outside phone lines, and the entire school campus is fenced. After school, all teachers have duty to ensure a safe dismissal. In addition, District police units are available to further assure the safety of children before, during, and after school. The facilities are well maintained by the custodial staff. They create a safe and clean environment for staff and students. It is our goal to ensure Valencia is a safe and conducive environment for learning.

Professional Development provided for Teachers

The El Rancho Unified School District provides professional development programs that provide a wide range of professional growth and support opportunities to serve the needs of teachers/staff at all learning stages:

- Beginning Teachers Support and Assessment (BTSA) program as approved by the State of California which provides experienced mentor support for all new teachers earning their California Clear Credential
- Peer Assistance Review (PAR) program for veteran teachers which provides seminars and individual coaching for teachers refreshing their skills and learning new strategies
- Certificated and Staff Training
- Site Administrator Training
- Buck Institute for Education Project-Based Learning (PBL)
- Digital Learning Coaches

We dedicate three full days and approximately 18 half days toward professional development at our school sites per year. The topics addressed at our trainings are based on teachers' need assessment surveys, student assessment data analysis, and district and schoolwide action plans. Our intern teachers are supported by university supervisors. Professional development at individual school sites are determined by the instructional focus. English Learner and special population trainings are offered on site as needed. In addition, teachers also attend off-site workshops or conferences.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
