Principal's Message

In accordance with Proposition 98, every school in California is required to issue an annual School Accountability Report Card (SARC). The main objective of the report is to inform the public about conditions and progress being made at Rivera Elementary School. Within the confines of the following pages, you will acquire a better understanding of the quality educational program we offer at Rivera Elementary School.

The entire staff at Rivera Elementary School is committed to student achievement and to academic excellence. School goals are collaboratively planned to represent a broad-based curriculum for all of our students. At Rivera Elementary, quality education is a combination of well-planned instructional programs, a knowledgeable staff, and a safe, nurturing learning environment.

Rivera Elementary School was recognized in 2003 and 2007 as qualifying for a California Distinguished School, in 2003 and 2008 was named a Title I Achieving School, and in 2007, 2008, and 2010 as a Honor Roll School by the California Business for Education Excellence and Just for Kids. In 2016 Rivera Elementary School was given the Gold Ribbon Award and named a Title 1 Achieving School.

We welcome your comments, suggestions, or questions to assist us in improving our academic program for all of our students.

David Sermeno, Principal

Our vision is that at Rivera our Eagles will have ...
Success, through
Opportunity
Academics, and
Responsibility

The mission of Rivera Elementary School, in partnership with the community, is to provide a safe, nurturing, innovative and challenging learning environment that promotes excellence. We will prepare students to be life-long learners to succeed academically, intellectually, socially, emotionally and culturally.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic
The SARC provides the following information relevant to the State priority: Basic (Priority 1):
- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

The El Rancho Unified School District follows the State adoption guidelines and adoption cycles for textbooks in reading, math, social studies, science, and English language development (ELD) used in the elementary schools. Recommendation for adoption of textbooks is made through a District committee of teachers, administrators, and parents. Input from all school staff members and parents are vital to making the recommendation. The District Committee discusses the school's recommendations and votes for a textbook to be adopted. The recommendation is then taken to the school board, who makes the final decision on the adoption of all textbooks.

Textbooks are adopted from the most recent state-approved list and are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education. Every student is assigned one textbook and workbook in the core subjects for use in class and to take home.

School Facility Conditions and Planned Improvements (Most Recent Year)

Rivera Elementary School was constructed in 1952. The school provides a safe, attractive campus that meets the needs of students, staff, and volunteers. The campus recently completed a three-phase modernization program that included the wiring of all permanent classrooms and offices for Internet access, new telephones, new fire alarms, new video/data, the installation of air conditioners, new electrical drops, new lighting, new flooring, new paint, and modernization of some of the student bathrooms. There are 31 classrooms (16 permanent), one cafeteria/multipurpose room, one school office, and one library.

Modernization of the remaining student and staff bathrooms and asphalt repaving was done during the summer of 2005 as part of Measure A bond monies. In 2006, a loading and unloading zone was established to provide a safe and secure area for parents to drop off or pick up their children.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

• Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and

• The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

	14-15	15-16	14-15	15-16	14-15	15-16
Science	42	45	42	43	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Grade Level	2016-17 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	18.7	22.8	33.3

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Socioeconomically Disadvantaged	88	87	98.9	47.1
English Learners	18	17	94.4	17.7
Students with Disabilities	11	11	100.0	9.1

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA) Disaggregated by Student Groups, Grades Three through Eight and Eleven

Students with Disabilities	26	26	100	11.54
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Rivera Elementary School will build the schools' and parent's capacity for strong parental involvement in order to ensure effective involvement of parents and to support a partnership between the school and the parents, and the community to improve student academic achievement through the following activities: School Site Council meetings. English Learner Advisory Councils meetings, PTO Meetings, Family Nights, Parent Workshops, School Smarts Program and Classroom Volunteer opportunities.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Rivera School Safety Plan (SSP) is reviewed annually to assure staff awareness. The School Safety Plan was last reviewed, updated, and discussed with school faculty in January 2018. The Plan includes information on disaster drills, evacuation routes, disaster teams, and the location of first aid supplies and other disaster emergency supplies. The SSP is available for review in the school office.

Rivera Elementary School is a secured campus. All visitors must enter and exit via the front school office. School staff members supervise the playgrounds. In addition, District police units are available to further ensure the safety of children before, during, and after school. All visitors must check-in at the office and wear an appropriate visitor's pass.

Professional Development provided for Teachers

The El Rancho Unified School District provides professional development programs that provide a wide range of professional growth and support opportunities to serve the needs of teachers/staff at all learning stages:

- Beginning Teachers Support and Assessment (BTSA) program as approved by the State of California which provides experienced mentor support for all new teachers earning their California Clear Credential
- Peer Assistance Review (PAR) program for veteran teachers which provides seminars and individual coaching for teachers refreshing their skills and learning new strategies
- Certificated and Staff Training
- Site Administrator Training
- Buck Institute for Education - Project-Based Learning (PBL)
- Digital Learning Coaches

We dedicate three full days and approximately 18 half days toward professional development at our school sites per year. The topics addressed at our trainings are based on teachers' need assessment surveys, student assessment data analysis, and district and schoolwide action plans. Our intern teachers are supported by university supervisors. Professional development at individual school sites are determined by the instructional focus. English Learner and special population trainings are offered on site as needed. In addition, teachers also attend off-site workshops or conferences.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
