School Description

Rio Vista has been recognized as a 2014 National Blue Ribbon School. As well, Rio Vista has been recognized as an AVID Elementary Certified Site for the 2018-2019 school year. These two recognitions mark the significant efforts of students, teachers, staff and parents over the last several years.

As we move forward we continue our commitment to maintain a safe, nurturing environment of high expectations in which all students can learn and succeed. We seek to create a climate where students not only feel welcome, but also are eager to participate in their education. We strive to provide students with opportunities that allow them to gain knowledge and experience beneficial to their future success.

“In order to provide specific, targeted instruction to all students, we at Rio Vista will not rest until the needs of our students are met through consistent collaboration, individual flexibility and our complete trust in each other as a team.”

Our uncompromising vision affirms that in working together, all students at Rio Vista will develop a positive self-worth and a passion for lifelong learning.

We aim to build stronger partnerships with parents. We want to encourage and support them in taking leadership roles that support our students and community and desire their participation in their students' education. By working together we prepare our students for college and career readiness, building a strong foundation of academic skills and habits that contribute to life-long learning.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

The El Rancho Unified School District follows the State adoption guidelines and adoption cycles for textbooks in reading, math, social studies, science, and English language development (ELD) used in the elementary schools. Recommendation for adoption of textbooks is made through a District committee of teachers, administrators, and parents. Input from all school staff members and parents are vital to making the recommendation. The District Committee discusses the school's recommendations and votes for a textbook to be adopted. The recommendation is then taken to the school board, who makes the final decision on the adoption of all textbooks.

Textbooks are adopted from the most recent state-approved list and are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education. Every student is assigned one textbook and workbook in the core subjects for use in class and to take home.

School Facility Conditions and Planned Improvements (Most Recent Year)

Rio Vista Elementary School was built in 1952. Rio Vista is a safe, clean, and well-kept campus. Our campus is secured by fencing surrounding the campus. Park space is shared with the school for additional field space during the day. The school has 24 classrooms, a preschool, three playgrounds with two large fields, an indoor cafeteria with a stage, restroom facilities throughout the campus, a library, computer lab, and a central office.

Each classroom has been modernized with drop ceilings, new lighting, new floors, air conditioning, and heating systems. Each classroom is Internet accessible, and equipped with computers, document cameras, and projectors. During the summer of 2015 upgrades were made to wireless internet infrastructure adding access points in every classroom increasing bandwidth and device capacity. Our school library is a great place for students to have the opportunity to select a book from more than 10,000 titles showcasing an array of different genres. As well, in 2017 a new state of the art Innovation Lab was built for students to be engaged in creating and engineering projects. in an open space concept.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	36.0	51.0	40.0	42.0	48.0	50.0
Math	36.0	39.0	26.0	26.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter

Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	27.0	20.3	12.2

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

We aim to involve parents in many ways beginning with school wide events such as: Back to School Night, Open House, Kindergarten Kick-Off, Coffee with the principal, Lunch with Someone Special, Parent Workshops, Bilingual Book Club, and Running Club race events..

Formal workshops are also provided through the state PTA School Smarts program, including, academics, bullying, state assessment requirements, and enrichment opportunities. These activities are presented in partnership with our digital literacy coach, teachers, district personnel and community partners.

Our Parent-Teacher Organization (PTO) is the foundation of our school volunteers. We are very thankful for these special parents and family members for volunteering countless hours to make our school a better place. PTO strives to enhance the learning experience by supporting students in many different ways including:

Parents who are not directly involved in our PTO are involved in other ways, such as:

- Classroom volunteers
- School Site Council (SSC)
- English Learner Advisory Committee (ELAC)
- Fundraising activities
- School projects
- Homework

*School Smarts Parent Training

Our PTO meets at 2:45 p.m. the first Tuesday of every month. All parents, family members, and teachers are welcome to join.

For more information on how to become involved at the school, please contact PTO representatives at annahernandez@erUSD.org

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Rio Vista's Comprehensive School Safety Plan (CSSP) is revised on an annual basis and reviewed with the school faculty and staff. It was last updated November 2018. Upon request, parents can access the plan in the school office.

The SSP outlines the appropriate responses necessary to respond to a variety of unusual or emergency situations including: earthquake, fire, or unauthorized persons. Rio Vista conducts regular earthquake, fire, and lockdown drills to prepare all students and staff for emergencies. To evaluate its effectiveness, a self-reflection and staff review accompanies each drill. The school maintains emergency supplies in a designated emergency bin. For the last eight years, Rio Vista has also participated in the Great California Shakeout – a statewide earthquake preparedness activity and drill.

Through the El Rancho Student Services office, Rio Vista has partnered with community agencies to provide support to students and families with medical and mental health programs. Rio Vista also strives to maintain a positive school environment through the PBIS including: Character Counts, Good Behavior Game (GBG) and Olweus bully prevention programs.

Rio Vista School is a closed campus. All visitors must enter and exit via the front school office and guests must sign-in prior to entering campus. Photo identification must be provided and verified prior to picking up students. School staff members supervise the playgrounds and common areas throughout the school day. In addition, District police units are available to further ensure the safety of children before, during, and after school. It is our goal to make Rio Vista School a safe and conducive environment for learning.

Rio Vista and the El Rancho Unified School District continue to work with outside partners and agencies through the Safe Schools, Healthy Students partnerships to further enhance the overall safety of our campus and student community. Through these partnerships students are provided access to community resources at the school site. This year we have expanded these offerings and have several groups working with students across all grade levels.

In Fall of 2013 the El Rancho Unified School District and Rio Vista have enacted a new Student Success Team (SST) process and discipline referral process in order to better address academic and behavioral concerns that impact the school climate.

Professional Development provided for Teachers

The El Rancho Unified School District provides professional development programs that provide a wide range of professional growth and support opportunities to serve the needs of teachers/staff at all learning stages:

- Beginning Teachers Support and Assessment (BTSA) program as approved by the State of California which provides experienced mentor support for all new teachers earning their California Clear Credential
- Peer Assistance Review (PAR) program for veteran teachers which provides seminars and individual coaching for teachers refreshing their skills and learning new strategies

- Certificated and Staff Training
- Site Administrator Training
- Buck Institute for Education - Project-Based Learning (PBL)
- Digital Learning Coaches
- Go Math!
- Benchmark Advance
- Illuminate

We dedicate three full days and approximately 18 half days toward professional development at our school sites per year. The topics addressed at our trainings are based on teachers' need assessment surveys, student assessment data analysis, and district and school wide action plans. Our intern teachers are supported by university supervisors. Professional development at individual school sites are determined by the instructional focus. English Learner and special population trainings are offered on site as needed. In addition, teachers also attend off-site workshops or conferences.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
