School Description

Principal's Message

Our goal is to introduce students to areas of Visual and Performing Arts with the intent to further develop skills in creativity, communication, collaboration, and critical thinking. We want to increase student engagement and help foster the dreams and talents of our students. We have a

zero period to allow for students to make room in their schedule for one more electives. We have a 6th grade

electives which includes classes in art, dance, and music. In 7th and 8th grade students have VAPA offerings with the following classes: Advanced Art, Advanced Guitar, Orchestra, Dance, Multi-Media, and Coding. We also offer our students Project Lead the Way STEM classes by offering both a 7th and 8th grade class.

We also have the 6th grade transition program Where Everybody Belongs (WEB). This 8th grade leadership program is focused around the successful transition for 6th grade students to middle school. Selected 8th grade students are trained to mentor 6th grade students and provide support throughout the year. Every 6th grade student has a WEB leader and there are 40 8th grade WEB leaders. We have implemented AVID schoolwide strategies with an emphasis on college and career readiness. Finally, we implement the OLWEUS Bully Prevention Program, Character Counts, and Positive Behavior Interventions and Supports (PBIS).

School Mission Statement

North Park Middle School is dedicated to producing academically proficient students of strong character by engaging all stakeholders and establishing high expectations for all students. We value integrity and accountability and believe that all students have the potential to learn.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The El Rancho Unified School District follows the State adoption guidelines and adoption cycles for textbooks in reading, math, social studies, science, and English language development (ELD) used in the elementary schools. Recommendation for adoption of textbooks is made through a District committee of teachers, administrators, and parents. Input from all school staff members and parents are vital to making the recommendation. The District Committee discusses the school's recommendations and votes for a textbook to be adopted. The recommendation is then taken to the school board, who makes the final decision on the adoption of all textbooks.

Textbooks are adopted from the most recent state-approved list and are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education. Every student is assigned one textbook and workbook in the core subjects for use in class and to take home.

School Facility Conditions and Planned Improvements (Most Recent Year)

North Park Academy of the Arts was built in 1956. North Park Middle School facilities are clean, safe, and well-maintained. The site consists of 39 classrooms, a cafeteria, adequate restroom facilities for staff and students, a library and computer center, a small conference room, and two locker rooms for physical education classes.

Our staff strives to provide a safe, clean, and well-maintained environment. The custodial staff consists of one full-time day custodian and two full-time night custodians, who perform basic duties of maintaining the cleanliness of the school campus. The grounds and maintenance crews from the District perform routine maintenance on a regularly scheduled basis. Our school completed several modernization projects within recent school years. The projects included the modernization of all restroom facilities, the insertion of a wheelchair lift in the cafeteria, and the installation of new AC/Heating systems in the 600/ Library building and the administrative office building. We have started construction on a brand new Band Building and state of the art Science lab.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

ELA	30	34	42	43	50	50
Math	18	16	26	29	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parents have a very important place in our school community. The School Site Council (SSC) meet monthly to advise and make decisions that affect our school's programs. Our Advancement Via Individual Determination (AVID) program invites families to Parent Nights throughout the year to learn about the AVID program. This includes an annual college planning event to inform parents of their opportunities and support them in preparing their son/daughter to be college ready. In addition we have a parent college field trip that allows parents and guardians to visit a campus and speak with current college students. We also have an active Band Booster Club that dedicates itself to the North Park Band students.

North Park invites parents onto our campus for many events throughout the year including band performances, dance performances, art galleries and project based learning showcases.

In addition, North Park has facilitates Lancer Parent University classes throughout the year. We offer parent classes that help parents support their sons and daughters' academic and social development. Topics covered include reading student transcripts, accessing online resources to help their sons and daughters, and bully prevention information. In addition to classes we take parents to visit a college campus. Parents who attend all three sessions are recognized at the end-of-the-year assembly. North Park also offers parents the opportunity to participate in an annual parent education conference hosted by the Hispanic Outreach Taskforce and Whittier College. The conference provides parents valuable information on the college application process, financial aid for college and academic support, and resources for students.

For more information on how to become involved at the school, please contact Mrs. Gisela Castanon, Principal, at (562) 801-7570

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

North Park provides a safe, attractive campus that meets the needs of students and staff. Earthquake and fire drills are conducted regularly to prepare all students and staff. Each drill is reviewed by staff to assure effective preparedness in case of an emergency. The school maintains emergency supplies for all students and staff in case of a crisis. Key elements of the plan include monthly safety drills, crisis intervention plans, courses of action by the different readiness teams, emergency contact information, and evacuation routes and procedures. The School Safety Plan was last reviewed, updated, and discussed with school faculty in December 2019.

North Park is a secured campus. All visitors must enter and exit via the front school office. School staff members supervise the campus and playgrounds before school, during lunch, and after school. In addition, District police units are available to further assure the safety of our students.

It is our goal to ensure North Park is a safe and conducive environment for learning.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	4	11	12

The district provides professional learning opportunities to meet the needs of administrators, teachers, and support staff at all levels of the organization: Beginning Teachers Support and Assessment (BTSA); Peer Assistance Review (PAR) for veteran teachers; District and site administrators; Teachers and support staff; and Digital Learning Coaches.

Three full days and approximately 18 half days of professional learning were offered at our school sites in the 2018-19 school year. The topics addressed were based on teachers' need assessment surveys, student assessment data analysis, and district and school-wide action plans. Our intern teachers are supported by university supervisors. Professional development at individual school sites is determined by in-depth data analysis and aligned to the instructional focus areas. English learners and special population training are offered on-site as needed. In addition, teachers and support staff also attend off-site workshops or conferences.

2018-19 Analysis of data led to the identification of professional learning priorities. Whole group instruction, small group differentiated instruction, and designated English language development supported strengthening language arts instruction at the elementary level. Professional learning in mathematics focused on the Standards for Mathematics Practice, in conjunction with problem-solving and modeling and data analysis at the middle school level. At the high school, professional learning was prioritized for the Expository Reading and Writing Course which develops students' academic literacy in rhetorical and analytical reading, writing, and thinking. All schools participated in professional learning opportunities centered on data literacy. Professional development is provided during modified day schedules, pupil-free days, release days, and conferences/workshops outside the district. Professional learning is supported through in-class coaching, teacher-principal meetings, observations, and demonstration lessons.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/>, that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
