### School Description

#### Principal's Message

We welcome you to Birney Tech Academy. Our school is located in Pico Rivera, a small community where many teachers and classified staff grew up and/or currently reside. We are committed to high academic standards. Our supportive learning environment allows every student to develop a positive self-concept and passion for lifelong learning. Every member of our learning community contributes to the development of each student. Our goal is to prepare students to succeed in a complex, global society by focusing on communication, technology, cultural diversity, and critical-thinking skills.

We have approximately 400 students this year, 18 teachers, and support staff and parent volunteers that help students achieve academically and socially.

Family partnerships are highly valued. Parents are encouraged to participate in their child's education in a variety of ways. Besides supporting learning at home, parents participate at school as volunteers, decision-makers, and leaders. Our uncompromising vision affirms that in working together, all students at Birney will achieve their highest potential.

#### School Mission Statement

The mission of Birney Tech Academy is to create a challenging learning environment that promotes excellence, encourages high expectations for success through a rigorous curriculum, and promotes a safe, caring and supportive school environment that will prepare students to become lifelong learners to succeed academically, intellectually, socially, emotionally, and culturally through the support of our parents, teachers, and community members.

#### School Vision Statement

Birney Tech Academy will serve as the foundation for the academic future of our students where we will use our resources, including innovations in technology, to provide the fundamentals of education for a diverse population. We will maintain a safe and disciplined environment for all students so that all students can achieve their ability.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.  
\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

The El Rancho Unified School District follows the State adoption guidelines and adoption cycles for textbooks in reading, math, social studies, science, and English language development (ELD) used in the elementary schools. Recommendation for adoption of textbooks is made through a District committee of teachers, administrators, and parents. Input from all school staff members and parents are vital to making the recommendation. The District Committee discusses the school's recommendations and votes for a textbook to be adopted. The recommendation is then taken to the school board, who makes the final decision on the adoption of all textbooks.

Textbooks are adopted from the most recent state-approved list and are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education. Every student is assigned one textbook and workbook in the core subjects for use in class and to take home.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Our campus was constructed in 1951. It is an attractive site that meets the needs of students and staff. We have a multipurpose room that serves as the cafeteria and auditorium. We have three playground yards: preschool/kindergarten, primary, and upper grades. We also have a very large field area that includes two baseball diamonds and a soccer field. Our library houses more than 4,500 books.

There are Chromebooks in every classroom, and all classes have Internet access. We also have three iPad carts that are available for student use. All facilities have handicap access, including the stage in our multipurpose room. In 2003, the community passed a bond measure to provide additional funds for modernization. All classrooms have been upgraded and are air-conditioned. All bathrooms, including staff, are upgraded and meet Americans with Disabilities Act (ADA) code. Students have access to an Innovation Lab that functions in several different ways. The outside of the school was painted and roofing work was done over the 2017 summer break. We have two full-time custodians and a groundsman that attends our school two days a week. Custodial hours are from morning to afternoon and afternoon to late night.

Birney PTO purchased and installed a new playground apparatus which students have enjoyed playing on during their recesses.

Student safety is one of our top priorities. We have a closed-campus policy and all guests/visitors are required to sign-in and wear a visitor's badge while on campus. All teachers, staff, and personnel have also been trained regarding our school safety plan SOP that, in case of an emergency, can be implemented properly.

### School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	36	N/A	43	N/A	50	N/A
Math	24	N/A	29	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

Birney is committed to providing students with every opportunity to reach their educational goals. To achieve these goals, it is necessary that a strong partnership is established with parents and guardians so they become an integral part of their child's learning experience.

The following are some of the opportunities for parents to become involved:

- School Site Council (SSC)
- Dads Club
- Parent-Teacher Organization (PTO)
- English Learner Advisory Committee (ELAC)
- Parent Education workshops and informative meetings such as Title I Parent Meeting
- Parent Volunteer Program
- Attendance at Back-to-School night, Parent Conferences, Award Assemblies, and Family Nights.

For more information on how to become involved at the school, please contact Principal, Sandra Gallegos at (562) 801-7600.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

Our School Safety Plan is reviewed and updated each year. The School Safety Plan was last reviewed and updated and approved in February 9, 2021. The Plan is located in the principal's office. The plan includes procedures for disaster drills, distance learning, crime reporting, medication administration, child abuse reporting, schoolwide dress codes, and rules and procedures for school discipline. To ensure safety, our campus is closed. All gates surrounding our campus are closed between the hours of 7:00 a.m. to 2:45 p.m. Visitors are required to sign-in at the office, and to wear a visitors' badge if they have business at the school. Before school begins, there are teachers on duty and a breakfast supervisor in the cafeteria. During recess, there are also at least two staff on yard duty per playground. At lunch and lunch recess, noon aides supervise the cafeteria and playground.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.4	0.2	2.5	2.9	3.5	3.5
Expulsions	0.0	0.0	0.1	0.1	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.3	2.3	2.5
Expulsions	0.0	0.1	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**D. Other SARC Information**

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	11	12	12

The district provides professional learning opportunities to meet the needs of administrators, teachers, and support staff at all levels of the organization: Beginning Teachers Support and Assessment (BTSA); Peer Assistance Review (PAR) for veteran teachers; District and site administrators; Teachers and support staff; and Digital Learning Coaches.

Due to the COVID-19 Pandemic and Distance Learning needs, El Rancho Unified School District began the 2020-2021 school year with four days of virtual professional development. The topics addressed were based on the district's distance learning needs assessment survey. The professional development days focused on technology platforms, distance learning instructional best practices, and distance learning district expectations.

Embedded in the Distance Learning instructional schedule, Friday afternoons are used for site-based or district-based professional learning opportunities. The focus during the professional learning opportunities includes the use of technology resources and platforms, instructional best practices during distance learning, social-emotional learning and mental health practices during distance learning, data analysis, and teacher collaboration and planning.

Professional development is determined by in-depth data analysis and aligned to the instructional focus areas. English learners and special population training are offered on-site and at the district level as needed. In addition, teachers and support staff also have the opportunity to participate in virtual workshops or conferences.

Traditionally, the analysis of data led to the identification of professional learning priorities. Whole group instruction, small group differentiated instruction, and designated English language development supported strengthening language arts instruction at the elementary level. Professional learning in mathematics focused on the Standards for Mathematics Practice, in conjunction with problem-solving and modeling and data analysis at the middle school level. At the high school, professional learning was prioritized for the Expository Reading and Writing Course which develops students' academic literacy in rhetorical and analytical reading, writing, and thinking. All schools participated in professional learning opportunities centered on data literacy. Professional development has traditionally been provided during modified day schedules, pupil-free days, release days, and conferences/workshops outside the district. Professional learning is supported through in-class coaching, teacher-principal meetings, observations, and demonstration lessons.

### FY 2018-19 Teacher and Administrative Salaries

Category	District Amount	State Average for Districts In Same Category

\* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/).

### Types of Services Funded

The following programs and services are available in the district to support and assist students:

- After School Tutoring
- Saturday School
- English Learner Literacy Support Class (ELLSC)
- Extended Day Kindergarten
- Transitional Kindergarten
- Language Arts, Mathematics Cadres
- Science and Visual and Performing Arts Curriculum Councils
- Technology (Note: During distance learning, any student requiring a computer for access has been provided one; hotspots are available on a case-by-case basis).
- Positive Behavioral Interventions and Supports (PBIS)
- Digital Learning Coaches (DLC)
- Interim Assessments
- Additional Benchmark Universe Training
- Go Math! Additional Training
- Next Generation Science Standards Support
- ELPAC Academy

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
