School Description

The purpose of the School Accountability Report Card is to provide students and parents with information about our school's instructional programs, academic achievement, materials, facilities, and staff. Durfee Elementary School continues to have the privilege of serving a community that is very supportive of the school's vision to provide a quality, well-rounded education to every child.

Due to the Covid-19 Pandemic and school closures, the 2020-2021 school year started in a Distance Learning format.

Parents and the community play an important role in our school by supporting the different school's programs, initiatives, and academic needs of our students. The school staff strives to inform the community about the school's educational program, student achievement, and curriculum development.

Students at Durfee Elementary School are guided by specific school and classroom expectations that promote character, respect, inclusion, and safety. Our goal is not only to encourage student achievement but to also provide students with opportunities to learn self-discipline through a system of consistent rewards and consequences for their behavior. The staff has been trained and Durfee Elementary participates in the Positive Behavior Intervention and Supports program. After four years of participation in the program, Durfee has been recognized with the Silver PBIS Award in 2017, 2018, and 2019 and the school has also received the California PBIS Coalition 2020 Community Cares Medal.

As a school, a commitment has been made to provide the best educational program possible for all students. Durfee Elementary has a dedicated staff who is highly committed to providing a stimulating environment where students are actively involved in the learning process as well as promoting positive values. Together, through hard work, all students will be challenged through their potential.

Durfee Elementary School's Vision and Mission Statements

Durfee Elementary School Mission Statement

The mission of Durfee Elementary School is to instill in each child a sense of self-worth, independence, and responsibility which will enable each student to become a life-long learner, a successful citizen, and be able to reach his or her potential. Durfee's teachers are committed to providing all students with a positive learning experience that is developmentally appropriate, promotes safety and responsibility is supported by all necessary staff, materials, and equipment, and welcomes parents as an integral part of the learning process.

Durfee Elementary School Vision Statement

Durfee Elementary will provide an educational program that will promote the Pillars of Character and create a partnership with parents, community, and staff. We will actively engage all students in developing 21st-century skills including critical thinking, problem-solving, creativity and collaboration to ensure college and career readiness.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.
*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

The El Rancho Unified School District follows the State adoption guidelines and adoption cycles for textbooks in reading, math, social studies, science, and English language development (ELD) used in the elementary schools. Recommendation for adoption of textbooks is made through a District committee of teachers, administrators, and parents. Input from all school staff members and parents are vital to making the recommendation. The District Committee discusses the school's recommendations and votes for a textbook to be adopted. The recommendation is then taken to the school board, who makes the final decision on the adoption of all textbooks.

Textbooks are adopted from the most recent state-approved list and are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education. Every student is assigned one textbook and workbook in the core subjects for use in class and to take home.

School Facility Conditions and Planned Improvements (Most Recent Year)

Durfee Elementary School first opened its doors in 1951. There are twenty permanent classrooms, six bungalow rooms, a cafeteria/multipurpose room, and an administration building.

Through modernization efforts, the school was made accessible to students with disabilities. Many of the classrooms and bathrooms were also upgraded. The asphalt was resurfaced and marked with new play areas. The placement of new equipment for the large playground area was completed after many years of anticipation.

The library has an abundance of books, and it is also connected to the Internet. This extension of the instructional program provides the Accelerated Reader supplemental literacy program.

All classrooms, offices, restrooms, and lunch areas are cleaned daily. On a weekly basis, the District grounds crew perform special tasks as requested by the school site to upgrade all areas. If more detailed repair is required, it is referred to as the District operations department.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month in which data were collected: November 2, 2020

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	42	N/A	43	N/A	50	N/A
Math	33	N/A	29	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Durfee parents are welcome partners in the education of our students. We invite our parents to actively participate in school events, programs, and classrooms. Some of the many ways parents can become involved are through our School Site Council (SSC), the English Learner Advisory Committee (ELAC), Parent-Teacher Organization (PTO), Parent Education Opportunities, Mental Health Counseling, and classroom volunteers/room parents. They are also encouraged to attend all of our No Excuses University activities and to become school volunteers. Parents are informed about the school program through our school Web site, school flyers, phone broadcast messages, and communications platforms like ClassDojo and Remind.

Due to the COVID-19 Pandemic, school closures, and distance learning the opportunities for parent engagement have become more virtual through the use of platforms like Google Meet and Zoom.

For more information on how to become involved at the school, please contact Principal Kendall Goyenaga at (562) 801-7610.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Each year, the School Emergency Response Plan is reviewed, updated, and presented to the school faculty in the Fall.

Due to the COVID-19 Pandemic and school closures, the 2020-2021 school year started in a Distance Learning format and safety procedures have shifted towards a focus on health orders and safety guidelines such as social distancing and face masking. All safety procedures and guidelines are in accordance with Government and Public Health orders, guidelines, and recommendations.

Traditionally the emergency plan outlines the school's response to disasters such as earthquakes, fire, lockdowns, intruders, bomb threats, and any other emergency situations. In large part, the emergency plan revolves around first responses, evacuation procedures, first aid procedures, and how the staff ensures the safety of all students and staff in any given disaster situation. The application aspect of the plan is then held through monthly practice drills occurring each month for fire, and every other month for disaster and earthquake safety. This year, safety guidelines regarding COVID-19 and preventing the spread of the virus have been included in the plan.

The SERT flowchart defines the roles as well as locations and regulations the staff will follow to ensure the safety of all students, staff, and parents at Durfee. These individuals play key roles in how each disaster drill is handled. The plan also includes shut-off locations for gas, electricity, and water. Provided by the district and housed on our campus, a large metal bin houses all emergency supplies. In the end, the plan will provide all the terms and routines with which the staff will efficiently conduct the necessary procedures to be able to safely reunite each student with his/her parents/guardians. During monthly emergency drills, the staff reviews the entire plan to ensure the system works.

The Durfee campus is closed, and all visitors are required to report to the office before entering any part of the school, including during the after-school program time. In addition, in response to COVID-19 guidelines, all staff and visitors must fill out a screening questionnaire and report their body temperature before entering campus.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.0	0.3	2.5	2.9	3.5	3.5
Expulsions	0.0	0.0	0.1	0.1	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.0	2.3	2.5
Expulsions	0.0	0.1	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

D. Other SARC Information

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	11	12	12

The district provides professional learning opportunities to meet the needs of administrators, teachers, and support staff at all levels of the organization: Beginning Teachers Support and Assessment (BTSA); Peer Assistance Review (PAR) for veteran teachers; District and site administrators; Teachers and support staff; and Digital Learning Coaches.

Due to the COVID-19 Pandemic and Distance Learning needs, El Rancho Unified School District began the 2020-2021 school year with four days of virtual professional development. The topics addressed were based on the district's distance learning needs assessment survey. The professional development days focused on technology platforms, distance learning instructional best practices, and distance learning district expectations.

Embedded in the Distance Learning instructional schedule, Friday afternoons are used for site-based or district-based professional learning opportunities. The focus during the professional learning opportunities includes the use of technology resources and platforms, instructional best practices during distance learning, social-emotional learning and mental health practices during distance learning, data analysis, and teacher collaboration and planning.

Professional development is determined by in-depth data analysis and aligned to the instructional focus areas. English learners and special population training are offered on-site and at the district level as needed. In addition, teachers and support staff also have the opportunity to participate in virtual workshops or conferences.

Traditionally, the analysis of data led to the identification of professional learning priorities. Whole group instruction, small group differentiated instruction, and designated English language development supported strengthening language arts instruction at the elementary level. Professional learning in mathematics focused on the Standards for Mathematics Practice, in conjunction with problem-solving and modeling and data analysis at the middle school level. At the high school, professional learning was prioritized for the Expository Reading and Writing Course which develops students' academic literacy in rhetorical and analytical reading, writing, and thinking. All schools participated in professional learning opportunities centered on

data literacy. Professional development has traditionally been provided during modified day schedules, pupil-free days, release days, and conferences/workshops outside the district. Professional learning is supported through in-class coaching, teacher-principal meetings, observations, and demonstration lessons.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
