School Description

Our mission at Valencia is to provide a challenging learning environment for diverse learners while developing upstanding character. Our educational program focuses on 21st century learning skills by integrating music, art, and technology. We believe in fostering communication, collaboration, creativity, and critical thinking.

Valencia Elementary School officially changed its name to Valencia Academy of the Arts in the summer of 2015. During the transition, stakeholders, parents, students, staff, and community provided input in establishing the direction of the school. At Valencia, we have three major outcomes:

- Equitable Access to the Arts
- Development of Creative and Cognitive Skills through the Arts
- Become Conscientious Global Scholars with a Foundation in the Arts

Valencia will provide a rigorous instructional program for approximately 450 students from transitional kindergarten through grade five. The educational program focus reflects the school's vision and mission; academic excellence, high expectations, and character development for life-long learning and success. During the 2014-2015 school year, Valencia Academy of the Arts incorporated a Visual Arts and Performing Arts curriculum by providing instrumental music, choral music, and visual arts. Valencia is mindful of the proud tradition of strong academic programs, instructional excellence, and community involvement, which the school has maintained since 1951. Over the years, the Valencia staff and community have been continually dedicated to providing the best educational opportunities for every child, maintaining the rigors of Common Core, while providing a foundation in the arts.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

The El Rancho Unified School District follows the State adoption guidelines and adoption cycles for textbooks in reading, math, social studies, science, and English language development (ELD) used in the elementary schools. Recommendation for adoption of textbooks is made through a District committee of teachers, administrators, and parents. Input from all school staff members and parents are vital to making the recommendation. The District Committee discusses the school's recommendations and votes for a textbook to be adopted. The recommendation is then taken to the school board, who makes the final decision on the adoption of all textbooks.

Textbooks are adopted from the most recent state-approved list and are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education. Every student is assigned one textbook and workbook in the core subjects for use in class and to take home.

School Facility Conditions and Planned Improvements (Most Recent Year)

Valencia opened in 1951. There are 22 classrooms on the campus. The school also has a teacher workroom, a library/computer lab, a teacher resource room, one office building, and a cafeteria.

The school has six restrooms accessible to all students. The District maintenance department has adopted cleaning standards and procedures for all schools in the El Rancho Unified School District.

Valencia's custodial staff adheres to these standards. Valencia has one head custodian in the day and one evening custodian. All classrooms, offices, restrooms, and lunch areas are thoroughly cleaned daily. On a daily basis, the head custodian cleans the school grounds. On a weekly basis, the District grounds crew mows lawns and performs any special tasks as requested by the school site. When necessary, the head custodian performs light maintenance duties. If more detailed repair is required, the custodial staff submits work orders to the District operations department.

School Facility Good Repair Status (Most Recent Year)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Valencia Academy of the Arts receives exemplary support from parents in many ways. Parents and community members can volunteer hours in classrooms, accompany students on field trips, and volunteer to assist with student activities. Valencia is fortunate to have an active Parent-Teacher Association (PTA), School Site Council (SSC), and English Learner Advisory Committee (ELAC). The PTA actively supports student learning through their fundraising activities. PTA funds help provide field trips for classrooms, technology support, student assemblies, and classroom incentives. SSC/ELAC give parents opportunities to help establish the school plan focus and budget priorities. The groups hold meetings once per month, and all are welcome to attend. Opportunities are also available for parents to attend Student Study Teams, Educational Family Nights, Read Across America, Dia de los Muertos Carnival, and Spring Carnival activities.

It is planned to have evening parent workshops on various topics such as: How parents can assist with homework, better understand Common Core, Accelerated Reader, Reading Fluency, Math Problem Solving Skills. In addition, parents have the opportunity to participate in a PTA sponsored workshop, School Smarts.

Valencia is also privileged to have many community partnerships. REACH, an afterschool program, is available on our school campus every day after school. For more information on how to become involved, please contact the Principal at (562) 801-7670.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The school's Standard Emergency Management System (SEMS) reflects the need for a greater awareness of safety and security. It is reviewed and updated annually by the District, school safety committees, and staff. The Plan addresses fire, earthquake, and lockdown procedures. Emergency fire and earthquake drills are practiced on a regular basis and required logs are kept. Equipment and supplies are checked periodically. The School Safety Plan is shared at School Site Council meetings. The School Safety Plan was last reviewed, updated, and discussed with the school faculty January 2021.

Staff at Valencia is committed to providing all students a safe, disciplined, and drug-free environment. Valencia Academy of the Arts is a secured campus. All visitors must enter and exit via the front school office. In the morning, we have three supervisors, Principal, and other staff that monitor the cafeteria, gates, and quad area prior to the start of school. Throughout the day, Valencia staff supervises the playgrounds and cafeteria. All classrooms have access to outside phone lines, and the entire school campus is fenced. After school, all teachers have duty to ensure a safe dismissal. In addition, District police units are available to further assure the safety of children before, during, and after school. The facilities are well maintained by the custodial staff. They create a safe and clean environment for staff and students. It is our goal to ensure Valencia is a safe and conducive environment for learning.

Expulsions	0.0	0.1	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	11	12	12

The district provides professional learning opportunities to meet the needs of administrators, teachers, and support staff at all levels of the organization: Beginning Teachers Support and Assessment (BTSA); Peer Assistance Review (PAR) for veteran teachers; District and site administrators; Teachers and support staff; and Digital Learning Coaches.

Due to the COVID-19 Pandemic and Distance Learning needs, El Rancho Unified School District began the 2020-2021 school year with four days of virtual professional development. The topics addressed were based on the district's distance learning needs assessment survey. The professional development days focused on technology platforms, distance learning instructional best practices, and distance learning district expectations.

Embedded in the Distance Learning instructional schedule, Friday afternoons are used for site-based or district-based professional learning opportunities. The focus during the professional learning opportunities includes the use of technology resources and platforms, instructional best practices during distance learning, social-emotional learning and mental health practices during distance learning, data analysis, and teacher collaboration and planning.

Professional development is determined by in-depth data analysis and aligned to the instructional focus areas. English learners and special population training are offered on-site and at the district level as needed. In addition, teachers and support staff also have the opportunity to participate in virtual workshops or conferences.

Traditionally, the analysis of data led to the identification of professional learning priorities. Whole group instruction, small group differentiated instruction, and designated English language development supported strengthening language arts instruction at the elementary level. Professional learning in mathematics focused on the Standards for Mathematics Practice, in conjunction with problem-solving and modeling and data analysis at the middle school level. At the high school, professional learning was prioritized for the Expository Reading and Writing Course which develops students' academic literacy in rhetorical and analytical reading, writing, and thinking. All schools participated in professional learning opportunities centered on data literacy. Professional development has traditionally been provided during modified day schedules, pupil-free days, release days, and conferences/workshops outside the district. Professional learning is supported through in-class coaching, teacher-principal meetings, observations, and demonstration lessons.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
